### Who are we?

Douglas is a family name. Our family has been in the service industry since 1969. Mirroring our family beliefs, Douglas & Kaldi operates under the principles of integrity, wholesome tradition and innovation.

The legend of Kaldi, the Ethiopian goat herder who one day discovered his goats eating unusual red berries and acting more lively than normal, tells the origins of the coffee bean.

*Douglas & Kaldi – a New Culture, an Old Tradition*
